Sun Peaks Resort is Canada's second largest ski area

The resort is located inland from Vancouver in the heart of British Columbia. The village is truly ski-in, ski-out. There are no cars, just hotels opening onto snowy streets. The village is compact and convenient for all the base lifts and you can ski down pedestrian high street.

It has more than 4,200 acres of skiable terrain, 11 lifts and 133 trails including 10% green, 52% blue and 32% black. You will have a wide range of ski runs over three mountains – Tod, Sundance and Morrisey. There are two alpine bowls and 16 glade areas. For the Nordic skier, there are 36 km of groomed and track set trails. The base elevation starts at 3930 feet and tops out at 6824 feet.

The price includes:

- Round trip airfare from MSP via Alaska Air
- Round trip transportation from Kelowna, BC
- 6 nights lodging 2 per room at Sun Peaks Lodge
- Welcome party
- Pre Party

We'll be staying at the Sun Peaks Lodge. The hotel is located in the heart of the village. It is steps away from the chairlift. All the village shops & restaurants are located outside the front door. The lodge offers a hot tub, sauna, and steam room. The Steakhouse Restaurant is available for breakfast and dinner. The rooms do have a fridge, coffee maker, and microwave.

Mail this portion with your \$540 (\$300 ground option) check payable to Trip Headquarters to Karen Wieneri. Final Payment is due December 1, 2017.
